

**THREE MONTHS PERFORMANCE (JULY TO SEPTEMBER, 10)
OF SINDH EMPLOYEES' SOCIAL SECURITY INSTITUTION
INCLUDING PROGRESS ON DEVELOPMENT SCHEMES**

Social Security Scheme was launched on 1st March, 1967 in the then West Pakistan, province under the West Pakistan Employees' Social Security Ordinance No. X of 1965. The Sindh Employees' Social Security Institution (SESSI), however, came into being on 1st July, 1970 when the Scheme was reorganized after the dissolution of One-Unit. SESSI is a service-oriented organization. The function of the Institution is unique in nature for the welfare of labour class. It aims at providing medical care and cash benefits to the secured workers and their dependants. The performance of SESSI for the above period is given below:

1. During the period under review 354,976 patients were treated at social security hospitals and dispensaries while 6,220 patients were admitted in Social Security hospitals.
2. An amount of Rs. 11.624 m was disbursed to the secured workers and their dependants as cash benefits during the period under report.
3. During the period under review the Institution has received Social Security Contribution amounting to Rs. 449.658 m.
4. Total establishments notified under the scheme were 24,445 out of which 16,607 are functioning and their 555,002 workers are registered.
5. During the period under review an amount of Rs. 8.206 m collected as Education Cess.
6. SESSI has its own Engineering Department to undertake and supervise the execution of development projects throughout the Province. The details of progress of ongoing projects are as under:
